ACTION List

Call the Governor's office and your state elected officials and tell them Oklahomans still don't want ObamaCare in the state of Oklahoma. (Contact information on the back of this flyer)

Tell them this:

1. **NO to the health insurance exchanges**—either state-based or otherwise. *Insurance exchanges, state-based or otherwise, are a key component of the Patient Protection and Affordable Care Act ("ObamaCare"). No insurance exchanges = no ObamaCare!*
2. **NO to any expansion of Medicaid in the state of Oklahoma**—*The country is broke and we cannot afford this!*
3. **Terminate the Oklahoma Health Information Exchange Trust (OHIET)** - *This unelected entity is busy working to establish and implement the foundations that make "Obama Care" work. This special interest group has no legislative oversight and is not accountable to the People of Oklahoma—they do not represent the interest of the people!*

The people of Oklahoma have made their position clear- we want the government out of our healthcare!

Are you willing to stand with the people of Oklahoma and resist the implementation of ObamaCare?

Specifically, we are asking you to:

1. To *oppose* any implementation of a health insurance exchange-state based or otherwise
2. To *terminate* the Oklahoma Health Information Trust (OHIET)

And

1. To *oppose* any expansion of Medicaid in the state of Oklahoma, including the acceptance of any federal funding for the purpose of expanding Medicaid
